Defendants.

Case No. 14-cv-00546-TEH

**ORDER RESETTING TRIAL AND

This case was originally scheduled to begin trial on November 10, 2015. The Court vacated that date on October 21, 2015, after the parties failed to timely file a joint pretrial conference statement and jointly proposed jury instructions. Despite twice receiving available dates from this Court's courtroom deputy, the parties did not propose a new trial date until the Court ordered them to file a joint case management statement by February 16, 2016.

At the February 22, 2016 case management conference, trial was set to begin on **December 6, 2016, at 9:00 AM**. The pretrial conference was scheduled for **November 21, 2016, at 3:00 PM**.

The Court now sets the following related deadlines:

- Pursuant to the parties' joint proposal, expert discovery shall be completed on or before **September 2, 2016**.
- No new motions in limine may be filed. Oppositions or statements of non-opposition to the motions in limine that have already been filed are due on or before **November 7, 2016**.
